

I have been receiving anonymous and disturbing , harassing phone calls these past few weeks. I spoke to the phone company regarding these calls , as I want them to stop. I am not going to make a big deal of this I just want it stopped . No more than 15 people have my home number, Plaintiff , Katz being one. I have no real enemies in the world , I can't think of one person wishing me ill , except H. Katz. In the past the plaintiff has issued veiled threats, even to the point that he called on the phone my 81 year old Mother who lives in a retirement home. He ^{not} will deny this! He can not ! What purpose had this call? I will reiterate I just ask these calls to end, thats all .

Sincerely, Joe Mogus

P.S. my number is a private number
